You have received a new rating at www.HomeGauge.com

Rating: 10

Comment:As an out-of-state buyer, we were blessed to have Haley inspect our new home. In our absense, he absolutely saved us from numerous problems. After the initial inspection, Haley returned to reinspect the needed work and we highly recommend to all having this done. Great communication and explanations. We definitely recommend Haley for any inspection work!

This rating may show up on your listing page for all to see. You can exclude ratings by signing in at www.HomeGauge.com, clicking on the Contacts Menu, then Ratings. There you can exclude undesirable ratings.
